TESTIMONIALS

Imam Shah Ahmad Noorani (ra)

“Under the guidance of his eminence, the mufassir of the Qur’an, the possessor of nobility and leadership, the esteemed ‘allama, Shaykh Muhammad Karam Shah al-Azhari, this institution is doing such work that deserves reverence and honour. This institution has a unique combination of religious and secular education. In Sha’ Allah, it will be a beacon of light for Europe in the future.”

Dr Ahmad Umar Hashim, former Chancellor of Al-Azhar University

“Jamia Al-Karam is a minaret from amongst the many minarets of Islam and is a radiant centre. This institution is of great importance because it stands for the service to Islam and the invitation to Allah (most high) with wisdom and beautiful preaching.”

Imam Hamza Yusuf Hanson

“I am delighted to find these two books (*Imdad-us-Sarf* and *Imdad-un-Nahr*) that follow the same traditional and time tested model of success for beginners of Arabic language that I use in my own courses. They are an excellent place to start for new students setting out on the wondrous journey to understanding the language of the Qur’an.”

Shaykh Habib ‘Ali al-Jifri

“To display materials of the connection between an institution and the revered shaykh is an important matter. For it shows that this institution gained its knowledge and baraka from this noble shaykh, who gained his knowledge and baraka from his shaykh, and so on until we reach the noble Messenger (peace and blessings of Allah be upon him). There is a lot of blessings at places like this and that is why I am here.”

Patrick Mercer OBE MP, Former Shadow Minister for Homeland Security

“I visit the school frequently and am always impressed by the academic and intellectual rigour of the place.”

riddance of ignorance
prevalance of knowledge
